RESPONSE TO SUPPLEMENTAL NOTICE OF ALLOWABILITY

Dear Commissioner:

This is responsive to Supplemental Notice of Allowability mailed September 3, 2009. In that notice, Applicant observed that item "C3" listed in the PTO-1449 form has no Examiner initials or other indications to show the disposition of the "C3" reference. Applicants believe that it is a scribe's error where the Examiner inadvertently failed to indicate the reference was considered.

Applicant therefore asks that the Examiner indicate if the reference was considered.

Respectfully submitted,
